## We Understand the Importance of Home

At **A1 Unlimited Home Health Care**, our patients enjoy the convenience of a hassle-free medical visit because our greatest goal is to guarantee satisfaction. We have finely trained personnel working around the clock, providing the finest quality health care.

We combine leading-edge knowledge with a smile. Our regular visits and personalized appointments keep our patients constantly surrounded by respectable personnel, working hard to meet their needs. These are people who simply like helping others and who make themselves accessible to devoting long hours in order to provide superior care.

## We Promise to:

- ▶ Remain uncompromising in maintaining the highest standards of excellence in all areas of the home health care profession.
- ▶ Employ only the most qualified personnel available. Constantly provide additional training to further develop the skills of all personnel in order to ensure the highest possible degree of service.
- ▶ Participate in events and fundraisers within our surrounding communities.
- ▶ Be ethically responsible to protect employees and clients from fraud and abuse.
- ▶ Stay committed to helping institute ethical responsibility in the home health care industry.

## We Employ Only the Best

**Professional Nurses** from **A1 Unlimited Home Health Care** will assess your **condition** to assure that your health care needs are met and perform the skilled procedures ordered by your physician. Our team will work closely with your physician to attend to your needs in the most efficient and timely manner.

**Occupational, Physical, and Speech Therapists** will provide prescribed exercises to develop body strength and coordination as well as mastery of everyday skills, maximizing the patient's potential to regaining independence.

**Home Health Aides** will assist patients with their personal care needs including bathing, hair, nail, and skin care, as well as dressing.

**Medical Social Workers** are available to assess social and emotional factors and assist with community resource planning as well as
